

# Sheida Shakeri

Junior UI/UX DESIGNER

## Profile

I studied Computer Science and started my career in UI/UX design during my first year of college due to my passion for art.

## WORK EXPERIENCE

### Jadooye Fekr Software Company

#### Junior UI/UX Designer | 2022 - Present

I've collaborated with the developer team, offering design insights. I've worked on web projects, contributing to user-centered design and interface development.

### Babol Noushirvani University of Technology

#### Collaborated in the Binnoucup Team as a Web Designer and Consultant | 2023

My role involved enhancing the website's interface, providing guidance on color schemes and themes, and contributing illustrations to improve user experience.

### Jadooye Fekr Software Company

#### Internship as an UI/UX Designer | Jul. 2022 - Sep.2022

I translated my research on user journeys, site maps, and user flows into a practical design that enhanced the user experience. Wire-framing, website briefs, and mood boards played crucial roles in shaping the project, resulting in a user-friendly and visually appealing website for the pet shop.

#### Freelancer | UI/UX Designer | 2019 - 2021

In 2019, as a freelancer, I began my career by leveraging online tutorials and videos for learning. As a novice, I primarily accepted projects from companies introduced to me by friends.
